Note: County population figures are estimates of the April 1, 2018 population as calculated by the University of Florida, Bureau of Economic and Business Research.

<sup>\*</sup>If May's jail population for a facility was not transmitted at the time this report was published, then population numbers from another month are used in the place of the missing data and the date for these numbers is given. If the information transmitted to the Department did not conform to the standards established by the instrument developed per §951.23(2), but the month's population average was provided, then "Date Reported" will reflect the current month.
